*President's Letter*

**W**elcome to our fantasy land here at 8th and Market as our Guild Builders present the story of Aladdin!! We love creating fantasies for our young people to learn all about theatre as they present their shows. An important part of this classic story is the genie who lives in the lamp and grants wishes, making all of us dream about what might be on our wish list if this ever happened in real life.

In thinking about this theme for my President's Letter, I posed a question to our members and volunteers to see what they might put on an Actors Guild Wish List in case there are any genies out there wanting to grant our wishes. Oh my, did I get lots of responses!! Most of them have a price tag, but some just require time and talent. Many of them are already part of our ongoing renovation project such as new restrooms, new lobby, new rehearsal hall floor, and elevator so I haven't listed them, but if you'd like to help with that project, here is the link to our Capital Campaign: [actors-guild.com/capital-campaign](http://actors-guild.com/capital-campaign).

So, please take a look at the list and see if you might be able to be one of our genies and help us with this Actors Guild Wish List: volunteers • sound system • more members • seat and carpet cleaning • more people auditioning • beverage cooler for lobby • new shelves, cabinets for costume room • laptop with Photoshop • Capital Campaign donations • snack donations for 1st Saturday Hospitality Night • a lease by a business for our new building next door • more sponsors for shows • collapsible hand cart • donations toward new green room furniture • aluminum loading ramp to span from the shop to the stage • table saw • drill press • dance mirrors • microphones • photo backdrop for head shots • DVD player • 6 foot tables • chairs • refrigerator. And, since we're dreaming, let's add these two very specific, rather expensive items to our Wish List: • short throw wide format 8000-12000 lumen projector • Allen & Heath QU-32C 38 In/28 Out Compact Digital Mixer, Chrome Edition.

If you have dreamed of being a genie, now is your chance. If you would like more specific information about any of these items, please get in touch with me at [president@actors-guild.com](mailto:president@actors-guild.com) And may your own wishes come true!

## Director's Note

Who would have guessed, when I attended my first production at the Actors Guild that I would someday be writing a director's note? I have never forgot the excitement as I sat in the audience waiting for *Little Shop* to begin a long time ago. It is that same excitement that I hope to instill in our performers, our crew and our audience members, as Clare Snyder did me. It seems only fitting to dedicate my debut show to her, since she brought me to theater.

My favorite line from this show is "Like so many things, it is not what is outside, but what is inside that counts." The people who are part of this production exemplify this in so many ways. You will witness their talents during the performance, what you will not see is how they support one another backstage and in life. This is truly a great group of individuals.

Many of you have supported the cast, crew, creative team and I as we made this journey, Thank You for championing us. It is with great excitement that I invite you to be part of our "High Adventure!"

DOUGLAS PARKS  
Director, *Disney Aladdin JR.*

We will be using special effect lighting and smoke. Cast and Crew will be greeting patrons after the production next door in the Cox Building.
