Director's Note

Over the past year, our program directors took a close look at Guild Builders. We asked the kids for some input and did some reworking. One thing we wanted to create was a tag line or motto. One of our thespians offered, "Building character one show at a time." We were amazed at the power and wisdom in this statement.

During production we focused on teamwork, collaboration and understanding perspectives. Descendants Jr. explores good vs. evil. It shows that even good people may have a bit of evil in them and evil people can change to be good.

How these young people interact and move forward is a learning experience

for us all. We have students from two states, several counties, multiple backgrounds, and abilities. We hope while you are being entertained you will see the humanity in each of the well intentioned, but flawed characters.

I would be remiss if I didn't acknowledge the dedication of these artists to their craft, as well as the dedication of our staff to teaching these amazing artists.

Great words from our show: "We are stronger, All of us together, Only makes us better!"
